NAKAMA is a non-profit scanlation group bringing you high-quality unlicensed manga. All of our releases are labors of love for the yaoi fan community intended to make available titles that would be otherwise unattainable. Please also remember that these scanlations are intended for **PRIVATE** use only!

Kawakami is a top student with a penchant for donuts. Kaji is a troublemaker who fell deeply in love with Kawakami. Although they ignore each other at school, when they're all alone... they eat, kiss and...play. "You're so annoying!" is Kawakami's favorite line, but there's much more than meets the eye. A cute story of an unusual first love!
